WHEN YOU ARRIVE

- When you arrive at the stadium, tell the parking attendant you are working concessions. You do not have to pay to park. Park on the grass field on the south end of the stadium.
- This year, you must enter through the **South Pass Gate** which is located on the scoreboard end of the stadium behind the dumpsters. The gate attendant will have a list of workers. **You must sign up on the [SignUp Genius](#) to be on this list!**
- When you get into the stadium, come to Concession Stand 1 (stand to the right if you are looking at the HT on the pressbox) to find out which stand we need you to work.
